

**Tired of big social selling you out
and invading your privacy?**

But where can you go?

Friendxone

<https://www.friendxone.com>

Friendxone is a new alternative social network that respects privacy and the right to not have your data sold or given away.

Friendxone is against bigotry, hatred, racism, and bullying.

Friendxone makes it easy to connect with friends and family. Create pages, groups, and blogs. Join a community, promote your arts and crafts, or just stay in touch.
